

Planning your wedding?

Would it help if half of your wedding breakfast guests could dine for free?

At Willerby Manor Hotel we are delighted to be able to offer exactly that for 10 lucky couples.

Willerby manor is set in three acres of beautiful gardens, with an ornate antique fountain on the lawns and the enchanting rose garden, providing a reminder of the country residence that was Willerby Manor. An idyllic setting where, magical moments of, your day can be captured on film, to be forever treasured.

With such a choice of suites available for your wedding day celebrations, the team at Willerby Manor are always delighted to show you around. There is a selection of licensed rooms available to host your civil ceremony and the dining facilities that can cater for numbers up to 400. The hotel has a wonderful reputation for food and the wedding breakfast is certain to delight your guests. Choose from a range of menus, catering for every requirement, from a formal sit-down dinner to hot and cold buffets. With so much choice our expert team are always on hand to offer advice and to assist in creating your bespoke wedding day.

So what's the catch!

Well here it is, firstly this offer applies to weddings taking place in 2011 or 2012 and secondly you will need to have a minimum of 100 guests at your wedding breakfast. Don't forget though that if you are booking for 100 then you are only paying for 50 to eat!

To qualify you need to be one of the first ten lucky couples to confirm your wedding booking, quoting Willerby Wedding Offer. Willerby Manor Hotels full wedding terms and conditions will apply (these can be found in the Wedding packs available from the hotel) and the offer does not apply to already confirmed bookings, which cannot be cancelled and reinstated.
